

SCHOOL LUNCH PROGRAM PREPAID ACCOUNT AGREEMENT

Dear Parents,

Prestige Foods Corporation, your DoDEA School Lunch provider, gladly accepts prepayments for you and your student's convenience within our Prepaid Account Program. Please complete the form below for each applicable student within your household to allow us to set up your student's account within our secured school lunch payment system. All fields specified below are required to be completed to set up your student's account:

School Name:		
Student's First and Last Name:		
Student's ID Number (Provided at enrollment):		Grade:
Parent's First and Last Name:		
Home Phone #:	Work Phone #:	Cell Phone #:
Email Address:		
Mailing Address:		

Prepayments can be made in any amount in either cash or check. Prestige Foods strongly recommends that students maintain a \$20 minimum Meal Account balance at all times. Please note that if a check is returned by the bank for any reason, it is our policy to refuse all future check payments from the same account holder. Applicable bank fees for returned checks also apply.

The cost per lunch is **\$2.50 for grades K through 5** **\$2.75 for grades 6 through 12** and **\$4.50 for adults**.

Once your student's Prepaid Account is created, he or she will be issued a Personal Identification Number (PIN). This number should be safeguarded and not shared with other students since this PIN is used to charge meals and other food items against your student's account. Please note that there is little our cashiers can do during lunch service to verify your student's identity. If at any time, you feel that your student's PIN has been compromised, you may have your student see a Prestige Foods school lunch supervisor to request a new PIN. Please also note that your student is the authorized Prepaid Meal account user.

In the event your student's account has insufficient funds to purchase lunch, your student will be provided lunch under our Emergency Meal Account Credit Provision as a participant in our Prepaid Account Program. However, this Credit is limited to the equivalent of three (3) meals. Once this limit has been exhausted, no new charges will be authorized until the unpaid balance has been remedied.

By providing the required information above and affixing your signature below, you are agreeing to the terms of our Prepaid Account Program. Should you choose not to complete and return this form, your student can continue to purchase lunch on a cash basis as before, but he or she will NOT be eligible to participate in the Emergency Meal Account Credit Provision as part of the Prepaid Account Program. Should you have any questions or concerns, please contact our cafeteria staff at your student's school.
