CAMPUS  
MAP

Wynder Tower houses 86 first-year coed honor students. Richard Wynder graduated from Delaware State University and was the first alumnus to receive a doctoral degree. He held many positions at the institution, the last being vice president and dean of Student Affairs. Richard Wynder Tower was erected in 1985. Wynder Tower is a suite-type facility that is connected to Tubman Hall by a breezeway. Computer, television and telephone lines are available in each room.
