IMDb STARMeter Awards have proven to be a keenly accurate predictor of stars who are about to have a breakthrough career moment

MUMBAI, India—July 6, 2023—IMDb (www.imdb.com), the world's most popular and authoritative source for information on movies, TV shows, and celebrities, presented an IMDb 'Breakout Star' STARMeter Award to [Saas, Bahu Aur Flamingo](#) star [Angira Dhar](#). The award recognizes stars who are strong performers on the IMDb exclusive rankings and the Popular Indian Celebrities feature on the IMDb app. Both chart the page views of the more than 200 million monthly visitors to IMDb worldwide and have proven to be a keenly accurate predictor of stars who are about to have a breakthrough career moment.

Dhar can currently be seen in [Homi Adajania's](#) crime drama web series *Saas, Bahu Aur Flamingo* on Disney+ Hotstar as Kajal, the youngest daughter-in-law and associate of cartel leader Rani Baa ([Dimple Kapadia](#)). Following the release of the show, Dhar charted in the top 10 of the Popular Indian Celebrities list for three weeks in a row, including one week at #1. IMDb users have rated *Saas, Bahu Aur Flamingo* at 8.0/10. Dhar's credits also include [Bang Baaja Baaraat](#), [Love Per Square Foot](#), and [Commando 3](#).

"I want to extend my heartfelt gratitude to all the fans worldwide who have appreciated my work," said Dhar. "*Saas, Bahu Aur Flamingo* is very close to my heart, and I am ecstatic that the love and appreciation for my character Kajal has earned me this IMDb 'Breakout Star' STARMeter Award. A massive thank you to IMDb and its users."

"Angira Dhar's standout performance in *Saas, Bahu Aur Flamingo* piqued the interest of entertainment fans worldwide, driving them to learn more about her life and career on IMDb," said Yaminie Patodia, head of IMDb India. "As a champion of Indian talent and content, IMDb congratulates Angira on receiving the 'Breakout Star' STARMeter Award and we look forward to her upcoming projects."
