Rail Superstars

SunRail was overwhelmed by the response to our September "Rock the Rails" campaign, where we invited K-12 students to write and submit their own SunRail safety song as part of an initiative for National Train Safety Awareness Week. SunRail received submissions from local area schools, groups of students and individuals. Winners were selected by a panel of SunRail & FDOT officials, and all entries were presented with a signed certificate signed by SunRail CEO, Nicola Liquori.

The Grand Prize winner was Longwood's Woodlands Elementary School choir class, led by Mr. Joseph Brink. Ms. Liquori and other SunRail officials presented a \$500 Grand Prize check to the class on Thursday, October 12 and received a live performance of their song, "A Sweet SunRail Track."

Rapper, Andre Bostic took 2nd place and 3rd place was awarded to Kissimmee's Horizon Middle School's Choir class, led by Mr. Joseph Haber. Both winners received \$100 checks. Horizon Middle also performed a live version of their entry for Ms. Liquori during the award presentation. All three winners received an official certificate, and were announced on SunRail social media accounts during Train Safety Awareness Week (September 24-30).

SunRail thanks all of the talented Rock the Rails participants!
